Kindergarten Supply list 2009–2010

Your child will participate in many group activities in the coming year. The materials listed below will be shared with the class. The experience of contributing materials for the whole class to share helps each child feel like a valued member of the class and helps him or her appreciate the cooperative effort that is necessary to build a learning environment. For these reasons, please only label the folders and composition books and leave the rest of the materials unlabeled.
