

Ms. Horgan

I was born in Hialeah, FL on January 17, 1978. I attended Monsignor Edward Pace High School and moved on to Florida International University where I graduated with a Bachelors in Art History and a minor in Photography. I have been working with kids for nine years and before joining the Somerset Academy Staff I worked at Palm Springs Middle School. I enjoy teaching and helping students find their own creative means of expression and showing them that all of us have a little bit of an artist in us.
